

An aerial photograph of a city, likely Utrecht, showing a mix of historical and modern architecture. In the foreground on the left is the tall, Gothic spire of the Domkerk. To its right is a large, modern building with a red-tiled roof and a glass facade. The city is filled with various buildings, green spaces, and a network of roads. The sky is a mix of blue and orange, suggesting a sunset or sunrise. A semi-transparent rounded rectangle is overlaid on the top center of the image, containing the text "A PERFECT MATCH".

A PERFECT MATCH

Let's celebrate the NRW-USA Year together

The USA and the German federal state of North Rhine-Westphalia (NRW) share a history of partnership and cultural ties that stretches back for some 340 years. We are proud of this friendship and the many diplomatic, economic and educational connections it has created. The NRW government looks forward to the NRW-USA Year as a way to acknowledge, strengthen and celebrate its close ties with the USA. The program officially started on 22 June 2023.
