European School Education Platform Beta

Home

The European School Education Platform is the **meeting point** for all stakeholders in the **school education** sector – school staff, researchers, policymakers and other professionals – spanning every level from Early Childhood Education and Care to primary and secondary school, including Initial Vocational Education and Training.

The platform is also home to **eTwinning**, the community for schools in Europe.

Let`s get to know each other better

my New Year's resolutions are to do better in school and read more books. My best memories frim 2021 were these; travelling with family across Croatia, beach days with my friends and meeting new people.
